

BRIDGE TRAINING COURSES

The Maritime Industry's most respected and  
fully qualified ECDIS Trainers...

# ABOUT US

ECDIS Ltd is based in Whiteley, along the south coast of the UK near Fareham, Hampshire, making it easily accessible to mariners, whether based locally or needing to travel and stay in one of the nearby hotels. The aim of ECDIS Ltd is to provide a meeting and training facility for the use of the maritime industry.

Since opening in 2008 ECDIS Ltd has doubled in size every year and is now established as one of the world's most respected, endorsed independent training companies offering over 36 training courses. ECDIS Ltd welcomes trainees that meet the entry criteria, regardless of background, culture or religion.

We advocate that trainees with a variety of different backgrounds, experience, attitudes and values will enhance the course and allows the trainee to contribute to the learning experience. Trainees are therefore encouraged to be keen to learn and willing to offer their opinions and experience for the betterment of the course.

**Mark Broster**  
Managing Director

*“Last year we invested even more heavily into our facility and staff. We have become the leading independent provider of training with over 30 approved courses. Thank you to our entire repeat client base of 132 shipping companies, every client is important to us, and we look forward to working with you in 2015.”*

# BRIDGE RESOURCE MANAGEMENT

**Course Title:** Bridge Resource Management

**Duration** 3 Days

**Price** £POA\*

\*Prices are per person, subject to change and exclusive of VAT where applicable

**To book please call us on +44 (0)1489 559677**

## **Course Description**

What is Bridge Resource Management?

The Bridge Resource Management course introduces the concept of a navigation team to ship masters and watch officers and frames their decision making process toward establishing watch conditions during the course of the voyage. Bridge Resource Management techniques will emphasise decision making based upon conditions related to workload and potential threat to the vessel. The intent of the course is to define the individual task and responsibilities of the various team members while developing a situational awareness to prevent individual errors. Our trainees can expect a high proportion of simulator time, interspersed with lectures on human factors and decision making.

# BRIDGE PROCEDURES COURSE

**Course Title:** Bridge Procedures Course

**Duration** 1.5 Days

**Price** £POA\*

\*Prices are per person, subject to change and exclusive of VAT where applicable

**To book please call us on +44 (0)1489 559677**

## **Course Description**

This advanced course on bridge procedures is for companies who wish to use their own fleet procedures to develop their bridge teams beyond the current requirements. We will put teams under controlled pressure ensuring that they have to revert to using the basics for navigation and working as an effective team. The course is tailored to suit individual company requirements for the specific team they wish to train, drawing from a modular list of simulator and/or lecture subjects.
