

## MISC Berhad Sign up Entire Fleet to ECDIS Type Specific ACAT Training

**MISC Berhad (MISC) has chosen eMaritime Group's ACAT online courses as their ECDIS type specific continuous personal development training solution. The agreement has enabled MISC to sign up their entire fleet whilst being able to effortlessly monitor all students progress themselves via an online portal on the three different systems throughout their fleet; namely JRC 901, JRC 9201 and FURUNO FEA.**

ECDIS Annual Competency Assurance Training (Or ACAT) is based on the top 20 questions for inspectors and is a continuation of the already well-established ECDIS training courses and cost the equivalent to only £8 per Officer based on average crew turnover and numbers.

*"We're delighted to sign up MISC to ECDIS ACAT. The courses will allow MISC crew members to stay current, refreshed and Competency Assured in the key elements of their navigation systems" - George Ward, Project Support, ECDIS Ltd.*
