

STANDARD TRAINING COURSES

The Maritime Industry's most respected and
fully qualified ECDIS Trainers...

ABOUT US

ECDIS Ltd is based in Whiteley, along the south coast of the UK near Fareham, Hampshire, making it easily accessible to mariners, whether based locally or needing to travel and stay in one of the nearby hotels. The aim of ECDIS Ltd is to provide a meeting and training facility for the use of the maritime industry.

Since opening in 2008 ECDIS Ltd has doubled in size every year and is now established as one of the world's most respected, endorsed independent training companies offering over 36 training courses. ECDIS Ltd welcomes trainees that meet the entry criteria, regardless of background, culture or religion.

We advocate that trainees with a variety of different backgrounds, experience, attitudes and values will enhance the course and allows the trainee to contribute to the learning experience. Trainees are therefore encouraged to be keen to learn and willing to offer their opinions and experience for the betterment of the course.

Mark Broster
Managing Director

“Last year we invested even more heavily into our facility and staff. We have become the leading independent provider of training with over 30 approved courses. Thank you to our entire repeat client base of 132 shipping companies, every client is important to us, and we look forward to working with you in 2015.”

BASIC SHIP HANDLING TECHNIQUES

BASIC SHIP HANDLING TECHNIQUES

Course Title: Basic Ship Handling Techniques

Duration 3 Days

Price £POA*

*Prices are per person, subject to change and exclusive of VAT where applicable

To book please call us on +44 (0)1489 559677

Course Description

The most basic thing to be understood in ship handling is to know and anticipate how a ship behaves under all circumstances and what orders should be given in order to make the ship behave and move exactly the way you want it to. This course aims to help to improve safety at sea by providing participants with theoretical knowledge and hands on simulator training for the safe operation of ships in confined and coastal waters and during berthing and unberthing operations in a variety of weather and sea conditions.

This training is intended for deck officers before they are required to manoeuvre and handle ships. The aim is to enable participants to develop their skills and understanding of the principles and practices of ship handling.
